Dear Parents and Carers,

May I take this opportunity to wish you all a Happy New Year and I hope that 2023 has already started positively for you. It certainly has in school with staff returning on Tuesday with some refresher training linked to the planning, organisation and risk assessment for school trips. In fact, some of you might even have seen members of staff out and about in Yateley as we also spent time exploring the local area as we look to utilise it far more widely across all aspects of learning in school.

Pupils have made a calm and purposeful start to the term demonstrating high levels of engagement with their learning. Years 4&5 had the experience of an 'Anglo-Saxon Workshop' in the hall yesterday while this has been followed up with an 'Ancient Greek Workshop' for Year 6 today. Whilst these types of workshops do come at a cost, (and we certainly appreciate the contribution from parents towards these), they really do enrich the learning experience of pupils and have got these particular topics off to a positive start.

As with the start of any new term there are a couple of things to update you about. The first is related to the fact that we have made a slight tweak to our lunchtime play arrangements and pupils in Year 1 are now allowed to go out on the top playground, just like they do at playtime. However, they can remain on the smaller Reception playground if they choose to do so. Also, once a term we carry out a fire drill and children have become accustomed to how they react to this in order to ensure their safety. However, next Tuesday we will be trying a new drill in case we ever need to lock the school down with all children remaining inside. I will talk the children through the process during Monday's assembly but they are likely to come home and discuss it next week once it has taken place, so I thought it was sensible to give you a pre-warning of the drill because it is not something the children have done before.

And finally, due to Miss Hook's departure at Christmas the class responsibility for Penguin Class, alongside Mrs Smith, will be shared by both Mrs Wallace and Mrs Wilson, (Assistant Headteachers). As a result of this change it will increase the amount of time, they will be spending in class this term, (this will increase further after half-term when Mrs Smith goes on maternity leave), so please be mindful that they might not be able to respond to you quite as promptly regarding any questions or queries you have as they did previously.

Kind regards

Mr B Ellis - Head Teacher

## Pupil Online Safety

Before Christmas I shared a leaflet on the bulletin linked to how parents can make any new electronic devices as child friendly and safe as possible. This week we have shared [this](#) leaflet with pupils reminding them of their responsibilities when it comes to keeping safe online too so you might want to take a look!

## Healthier Together

Towards the end of last term there was a significant amount of media attention related to national health issues which has led to increased pressure on the NHS. We have been advised by Hampshire to share information with you about an app called 'Healthier Together' which provides information about what can be done before contacting 111 or your GP. Please click [here](#) for further information.

## EXTRA-CURRICULAR ACTIVITIES

These are the extra-curricular activities that are planned for each week.

We will endeavour to run extra-curricular activities whatever the weather. However, if any activities need to be cancelled, we will contact you by ParentMail.

**After all school-led activities, please collect your child from the gate near the gazebo.**

Just a reminder that Kidz R Us provide wrap-around-care at Potley Hill and for further information about how it works please see their section of our website by clicking [here](#). All feedback regarding any aspect of school life, including the service Kidz R Us provide, is appreciated with some recent positive feedback from parents regarding their service including:

*I can't praise Kidz R Us & their wonderful staff members highly enough. Both of my children absolutely love it & I often have trouble getting them to leave. They are always loads of fun activities for the children and they love the snacks provided. I would recommend them to anyone in a second,*

*My child has really enjoyed attending the breakfast & after school club, it's a lovely opportunity for him to enjoy free play with friends whilst also providing us parents with much needed childcare. He enjoys playing with the toys on offer & opportunity to play outdoors on scooters after school.*

**No dogs**  
except guide dogs

The whole of our Frogmore Community Campus is a dog free site, not just the playground, so we ask that you kindly support this.
