Dear Parents and Carers,

Our Reception pupils had a fantastic time yesterday at the Blue Reef Aquarium learning about a wide range of sea wildlife. Butterfly Class showed real curiosity about what they were learning and showed genuine responsibility throughout the day. Well done to all the pupils and thank you to all the staff and volunteers who made the trip possible.

Also, this week it was lovely to see so many children, (and some staff members too), well turned out for their class photos and these should be with you at some point next week. Also, as a result of us using Fraser Portraits the photographer went and took photos of a range of pupils engaged with learning around the school in order for us to update some of our photos within school and on the website so I would like to thank them for doing this.

I appreciate that school trips, photos, leavers books and experiences come at a cost, whether this is financial or also in terms of parents giving up their time to support with class assemblies, performances or celebrations of learning, (to name but a few). However, all of these things do support with learning or contribute in a wider way to a child's school experience, whether it is engaging pupils to find out more about what they are learning, providing a positive experience or giving them a focus or end point for their learning to be celebrated. We do work hard to find the right balance, (and we might not always get it right), but whatever you have been able to support with throughout the school year we all, (pupils and staff), really do appreciate it.

Physical activity has been high on the agenda this week too with Year 6 completing their second Bikeability session, (some of you might have even seen them out and about on their bikes in the local community today), and our Girls Football Team rounded off their season with an emphatic 12-1 victory against Frogmore Juniors.

And finally, it was lovely to spend some time this week with Mrs. Morris, (SENCO), and Mrs. Bailey, (Class Teacher), showing them around our school and inducting them in to how we do things at Potley Hill Primary School. We look forward to welcoming them to school 'properly' from September but I know they have already started to feel part of the team and are excited about what next academic year will bring.

Have a lovely weekend.

Kind regards

Mr B Ellis - Head Teacher
