Dear Parents and Carers,

The morning when pupils move to their new classes for the first time is always an exciting/daunting experience but all of the children showed great responsibility and resilience to ensure they made the most of Transition Morning that took place yesterday. When I went around the school there were lots of smiling faces together with a wide range of fun activities taking place to ensure that positive relationships are successfully built between staff and pupils, and hopefully you have also found the Transition Booklets, which the children brought home with them, helpful too.

Whilst it has been a busy week for all pupils, this is especially the case for Year 6 because they have performed their end of year production, 'Superstan,' to the whole school and parents over Monday and Tuesday. For those who were lucky enough to watch it they were treated to some great acting, comic timing, catchy songs but most importantly a real team effort to put on a show of real quality. Everyone involved should be incredibly proud of their achievements because it takes a huge amount of effort to pull together something like this. But the fun didn't stop there for Year 6 as many of them also visited their new Secondary School this week. Listening to them talk about their experiences I'm sure they all can't wait for September to arrive in order to experience all of the good things that happen at secondary school.

In the meantime however, many of them will be going to PGL Osmington Bay next week for their Y6 Residential and I'm sure they will have a great time. I'm really excited too because I am lucky enough to be joining them on this trip so after Monday morning you won't see me in and around school next week, but in my absence please do not hesitate to speak to Mrs. Samuel, Mrs. Wilson or Mrs. Wallace if needed.

Enjoy the weekend and the sunshine!

Kind regards

Mr B Ellis - Head Teacher

Weather Warning!

I'm sure many of you would have seen that starting today, the high temperatures are likely to remain with us over the weekend and for the rest of next week. Whilst the sunshine does come with positives, please be mindful that temperatures are likely to be high so please make sure you send you child in to school with a water bottle, which they will be encouraged to drink and refill throughout the day. In addition to this we would highly advise your child wears a cap/hat whilst on the playground and whilst we will closely monitor the amount of time the children are outside next week, we also recommend applying sun cream before coming to school.

Thank you for your support with this matter.

End of Year Reports

Reports will be issued today via the children and are addressed to the parent(s) at the main home address we have on file for your child. If in the past we have received a formal request to alter the parental salutation to just one parent, this is who the report will be addressed to. If your child's report is wrongly addressed, please do let us know in the office so that this can be amended for future mailings.

If a second copy of a report is required, ie. for those with parental responsibility who do not live permanently at the same address as their child, please contact the office, who will arrange to email this to you.

Summer Fun Night

A huge thankyou to those of you who helped on a stall at the Summer Fun Night last Friday or came along to spend your money at the event. There were a wide variety of stalls which wouldn't have been possible without the commitment and dedication of the PTA, who I would like to thank for their efforts, and the total amount raised was **£1945.64** so well done to all involved.
